Connecting the People of God with the People of Government

Dear Missions Partner,

It is a quiet time in Washington, D.C. as far as the leaders are concerned because they are on their August break. I was able to attend a meeting in Washington, D.C. the day before the break began. The leaders were asked to return to their home states to help their constituents understand the Big Beautiful Bill, passed recently, and to answer any questions they may have.

President Trump is not skipping a beat at the White House on decision making with war negotiations for peace, tariff talks, Washington, D.C. security or whatever else the day may afford. Please pray for President Trump and our Congressional leaders. First Timothy 2:1-4 is very relevant for our day - *I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all godliness and honesty. For this is good and acceptable in the sight of God our Saviour; Who will have all men to be saved, and to come unto the knowledge of the truth.* Certain senators today are delaying more than 140 nominations of judges and cabinet members which President Trump put forward to be voted into office months ago. Thank you for praying for this situation. While America is waiting for these nominations to be approved, the Supreme Court has made a number of God-honoring decisions for America. God has blessed President Trump's leadership with these recent Supreme Court decisions. We can thank God for His space of grace on America.

Please encourage folks to pray for America, engage, and make sure they are registered to vote as we have elections on the horizon. We appreciate your prayers for Awake America and continued support of the ministry. We are blessed with many believers praying for us. We are currently planning Capitol Connection 2026 and are looking forward to another exciting time of God opening doors and showing His miraculous power.

I had a major stroke in October of 2024, but the Lord is enabling me to continue in the ministry He has chosen for me here at Independent Baptist Church along with the leadership of Awake America. Thank you for praying for my wife and me. God is so good!

Sincerely,

Pastor T. Michael Creed
