

ROBINSON GRESSEAU

Dear Church Family,

To God be the glory for the things He hath done. I have some exciting news to share. You've all been praying for a wonderful woman to join my life, and guess what? Your prayers have been answered!

In May 2024, I had the chance to attend a Bible conference in Niagara Falls, Ontario. It was there that I met a truly amazing woman, whose name is Selam Joseph. She was sitting with her friends two rows right in front of me. I approached her and her friends to introduce myself. As I looked at her finger, I noticed she wasn't wearing a wedding band. This made me realize she wasn't married.

There was a soul-winning session at 3 p.m. where men went with the men, and the ladies went with the ladies to pass out gospel tracts at the falls.

On the last day of the conference, I asked her and her friends if I could go with them, and they said yes.

I finally got to talk to her, but she was so shy, and her answers were very brief and reserved. I asked her to share her salvation testimony, just to encourage her to talk and keep the conversation going a little longer, and she told me how she came to know Christ as her personal Savior. That evening, I invited her and her friends to join me at the café. It was too soon to ask her for her number, but I was able to get her social media contact (Facebook). That was the beginning of our story!

Fast forward to October 5th, 2024, when we got engaged! We're planning to get married on September 27th, 2025. I would be over the moon if you could make it to our wedding in Surrey, British Columbia, Canada. If you are unable to attend, please pray for us. Thank you so much for your support.

I've attached a link below with more details about the wedding. Please take a look and let me know if you have any questions. Also, you can reach us on our cell numbers (Robinson: 772-342-1962; Selam: +1 236-880-4448). Your presence is our greatest gift, however if you are feeling donation gift donation would be appreciated. Thanks!

For His Service,
Robinson Gresseau
