Dear Pastors and Praying friends,

I hope that you, your families, and the church families are doing well by the grace of the Lord Jesus. I counted it a great and priceless privilege for having you as partner. Your prayers and financial supports are mightily appreciated and I would like to thank you for your service to the Lord.

I praise the Lord for what he has allowed us to do in ministering to our people during these past months. Back in April, we held a Baptism service for three of our ladies among whom two were following us since we started our ministry. They came to understand that they need to be committed to the Lord. They came seeking for help and we took more time to explain to them what it means to be born again. They then decided to become disciples of the Lord Jesus. We have then be seeing a progress in their services to the Lord.

We also took our youth to a day conference organized by a sister church on the theme: **How to impact my generation for Christ.** It was so good to see the motivation of our youths and it was a great time to challenge them to consider the place of Church in their lives in making difference in this world.

Finally, with our youth group we have invited a nurse to hold a day conference on habits to cultivated and habits to avoid in way to have a good health that would help them in achieving success the Lord has in store for them.

We know that the enemy has been attacking marriage since in the Garden of Eden. The majority of problems brought to us is marriage’s issues. We had a week program with married men in the month of April on the theme: Facing the Challenges of the last days as married men; and we had a similar program for women in the month of May. Please pray that the Lord blesses us with strong families that stand on the Bible principles.

We were very honored and encouraged to have Pastor Mark Wilkerson, from Rantoul, Illinois come to visit with our family and the church alongside with brother Rodney Fitzsimmons. He brought an encouraging preaching and our people enjoyed it. I would to thank Pastor Wilkerson for the visit.

Dear friends, I would like to thank you for praying for the protection of our family. These past months our vehicle broke and we were not able to use it for ten weeks. The automatic transmission has failed so has the engine. We have therefore to rent taxis and most of the time use motorbike. I am glad we were able to get our vehicle back but we definitely are in need to replace it. I would ask you to pray with us regarding this need and if the Lord laid it on your heart to help us , we will kindly appreciate it.

We have lost some of our people due to moving to a different area where coming to church by walking become a sincere problem. We have been thinking of the use of bus ministry to address this need. So I am calling you out to prayers and asking for your help as we will launch a project regarding that need.

I would not thank you enough for your service to the Lord by praying for us and financially supporting us . May the Lord keep blessing you.
