

Blessed be the Lord who daily loadeth us with benefits,
the God of our salvation. July 2024.

Dear Praying friends,

When I was in bible college, every month there was under my door a letter with signed with the above verse. The content of the letter was not words but the expression of a generous act of two dollars from an anonymous heart. Needless to say that for the foreign student that I was with no monetary exchange for all my work scholarship program, this gift meant that I was blessed beyond measure to meet some basic personal needs and to bless some other students as well. Today, both my wife and I live in the blessedness of being object of such generosity from our God and father who is Jehovah Jireh - of which we are thankful.

We are thankful for Rishi Bhurrut and his wife Élodie. Some years back, I led this young man to the faith in Christ. Over the years, he had always come to me to pray that the Lord will bless him. Well the Lord did. From one building contract to another, he became a very successful businessman. Upon hearing of the need of our church to move to a bigger location, the Lord laid upon his heart to build a church for us. We have attached a snapshot of our new church building so that you can rejoice with us in our God who daily loadeth us with benefit, even the God of our salvation.

We are thankful, for your prayerful contribution to this ministry here. We still have some finishing touches to put on the electric power systems, the parking lot and the kitchen area. So keep us in prayer in that matter. None of these things are preventing us to enjoy the space to grow in the Lord.

We are blessed with some new folks attending regularly. Our benefactor and some others has shown up for church services. The following are some prayer concerns:

1. Rishi Bhurrut and his wife Élodie. Their children Emmanuel, Samuel and Sarah.
2. Pascal and AnneLise Couronne for salvation
3. Mrs. Pascaline and his son Leo.
4. Hurshi Ramkaylawon.
5. Mrs. Dorine and her daughter Bethsabée
6. Jordan and Alisha Mathurin- in their discipleship progression.
7. Our church faithfulness to overcome the new challenges of a new place.
8. Our upcoming church family camp.

Our family is doing well and keeping in the will of God. We are please to announce that the Lord has blessed us with our fourteenth grand child in the person of Hadassah Annalyn born to our daughter Hilary and her husband Matthew Nissley. They keep busy with their ministry at Lighthouse Christian School and assisting in their Local church

May the Lord continue to bless you in your faithful support of our ministry and may each and every one of you be honoured in double measures.

Your missionaries,

Guy and Marilynne Grenade.
