Dear Pastor and Church,

Greetings from downtown Oklahoma City. I am sorry once again for the lateness of our letter. I will start out with my excuse. I don't have any peanut butter. Well that is what we were told on visitation one time. The truth is a lot of things are going on.

First let me share with you that My wife Eunice is doing well. She had surgery and they feel like they got all the cancer. We are so thankful to all of you who lifted her up in prayer. I would ask you to pray for me as I am having a lot of problems with my ears getting infected. Most of the time I feel like my ears are full of water and it is very frustrating.

We just finished a revival meeting and while we didn't have the attendance we would have liked, we saw our people make some good decisions, and several of our prospects seemed to make decisions as well. Topping this revival off we were able to take six of our men to the Men's Recharge in Andover Kansas and they really came back recharged.

We have been picking up a few kids but without doing any pushing they began to bring visitors. We ended up taking two cars to pick them up and they were both getting full, so I spoke to our people, and we raised the money to purchase an older 15 passenger van. This last Wednesday evening we picked up 12 kids on one block for our kids' program. We have not tried to grow this ministry, but rather it is the kid's bringing visitors. So let me give you our prayer request. We need more workers and fast.

Thank you for your prayers and support. I pray you will have many souls to your account.
