FAMILY TO IDAHO

Almighty God

This summer was amazing. As we shared with you the announcement of the beginning of a preschool ministry to reach young families in our area, there were many needs. First, we were raising money for a modular Building for God to allow us to use for our Children's Ministries & Preschool. We needed \$50k for the purchase and delivery. God provided from within our Church in just one week. Several Churches also gave to help with the \$7k setup costs. Praise His name! Secondly, we needed the supplies to begin the Preschool itself. God also provided our basic needs before school began.

We are so grateful to see how God has continually provided for our every need as we continue to grow for Him. September 2nd we began our Preschool with 5 students and more will be added later this year. We are so excited to have the opportunity to reach these families for Christ. We have 3 new families from outside our Church that we now have had an opportunity to minister to thanks to this new ministry.

We are so blessed to continually see people come to know Christ. This month we had a man receive Christ that we have worked with for the last 2 years. To God be the Glory! Please keep praying for us as we serve here in North Idaho. Thank you for your prayers and support.
