July 2025

Boozhoo (Ojibwe for "Hello"),

Thank you for praying for our evangelistic outreaches this July! We have been busy reaching out in the White Earth community as much as possible during these active summer months. Pray for us to make fruitful contacts.

Basketball Outreach

A church from Kansas that connected with us this past Spring came up to help us do an outreach called Good News Hoops on July 18th. They were able to help pass out gospel tracts with the basketball tournament invites in the towns of White Earth, Ogema, and Waubun. The day of the basketball outreach there was a good chance of rain that concerned us. The Lord held off the rain long enough for us to play some basketball on the courts just north of our church building and take time to preach the gospel to seventeen teenagers! This was no doubt the first time many of them had ever heard the truth of the Gospel of Jesus Christ. Once the rain did come, one of the attendees suggested we move the tournament to the community center. This enriched our contact with the community in many ways and several parents were greatly appreciative of what we were doing for their young people. We have scheduled to do this outreach again next year with the anticipation of building upon what took place this year.

Vacation Bible School

We also just finished up a great week of Vacation Bible School July 28-30. We are thankful for Evangelist Duane Moore and a church from Georgia taking time to come all the way up to Northwest Minnesota to help us. Our theme was "Jesus is Our True North". The first day was full of Satanic spiritual oppression with demonic influences on property but we went to prayer and the Lord lifted that oppression the rest of VBS! We had a total of 32 attendees that heard Bible lessons and clear gospel preaching. If any of our supporting churches are interested in helping with VBS in June 2026, please feel free to reach out as fellow-laborers are truly what make these types of outreaches possible.

Sunday Service

Some of the children from VBS expressed that they love church and wanted to go to church on Sunday as well. Many of the children come from the same housing complex in Ogema called Dreamcatchers. On Sunday, only two kids from the Dreamcatchers were ready to be picked up for church. When we took the children home there were several others outside disappointed that they missed out on the ride to church. If everybody is ready to go next Sunday, we could easily fill the van! Pray that we could see these young people be faithful and put their trust in the Lord. Pray we can reach the parents and families they live with as well.

This month our family is heading down to the Navajo Reservation in Arizona for the Navajoland Baptist Revival. We are looking forward to seeing our Navajo supporting churches, friends, and mentors at the meeting. My wife and I will also celebrate our ninth wedding anniversary! Please pray for safe travels and that we will be spiritually refreshed.

Mii-gwech (Ojibwe for "Thank you") for your faithfulness in prayer and financial support! May fruit abound to your account.

For the cause of Christ,

Marty, Logan Michelle, Aliza, Annie, Ezekiel, Isaiah, Max, and LuciEmma Roembke

through the power of the Holy Ghost."*
