

Summer Outreach Update and Reminder

With the help of a great missions team, we were able to distribute around 25,000 gospel tracts and 1,100 coloring books for children in and around Skopje. We had some great conversations, made new friends and we're praying that the seeds planted will bear fruit in time. Through our website, BalkanReach.net, we've had over 200 views of our new gospel video, and four people signed up for the 15-lesson email Bible study. No one has written in yet, and we haven't posted testimonies—but we're staying faithful. We know the Lord is working, even when we don't see it all right away. The lessons are in English as well if you would like to sign up for an email-based discipline course.

The 5 boxes of tracts were withheld from us due to customs and rules. I delayed the update because I wasn't sure what would happen over time, but it's now been two months. Thank you for your prayers on this. I know what to do in the future to avoid this problem. Lessons Learned.

A Testimony from the Field- 2 saved!

During our summer trip, we met a man named John from South Africa and gave him a bundle of about 5000 tracts. A few weeks later, we received this great update from him:

"Praise God, I joined a group of fellow Evangelists, and the flyers you handed me are now part of the tracts we share at the city center every Wednesday. Additionally, I have a testimony to share. Yesterday, while I was heading home with a friend, we encountered a 15-year-old, Kiko, with his friend, also named Kiko. Both had many questions, and God helped us with the answers. At the end of our conversation, Kiko (15) and his friend confessed their sins and asked Jesus Christ to be Lord of their lives. Today, Kiko turns 16. He gave his life to Jesus a day before his birthday. Yesterday's event changed me. I am still in awe of how merciful God is."

Looking Ahead to the Fall

Our heart remains the same: to reach the Balkans with the gospel, disciple others, and train up national leaders. Please pray for a few specific needs:

Legal paperwork – we're still waiting on some critical approvals for residency.

Support – we need nine more churches to come alongside us financially

Travel – we're heading out for about 6 weeks on the road to visit churches.

Fruit in discipleship – pray for more open doors and hearts to receive the gospel

Lord willing our paperwork to live full time in Macedonia will be approved by Oct. when we fly back.

Thank You

We say it often, but we mean it every time—thank you. Your prayers, support, and encouragement help keep us going. -Jason
